DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on October 2, 2006 and June 27, 2006 has been entered.

Allowable Subject Matter

Claims 1-20 and 22-33 are allowed.

The following is an examiner's statement of reasons for allowance: claims 1-20 and 22-33 distinguish over the prior art of record because none of the references either alone or in combination disclose or render obvious:

- a photonic package as defined in claim 1, comprising a processor adapted to calibrate the photodetector based at least in part on a comparison of the electrical signal to characterization data in combination with the other limitations of claim 1;
- a method for monitoring a semiconductor light source as defined in claim 18, comprising executing a processor to calibrate the photodetector based, at least in part, on a comparison of the electrical signal to characterization data in combination with the other limitations of claim 18; or

- a photonic package as defined in claim 22, comprising a processor adapted to calibrate the photodetector based, at least in part, on a comparison of the electrical signal to characterization data in combination with the other limitations of claim 22.

Claims 2-17 depend from claim 1; claims 19 and 20 depend from claim 18; and claims 23-33 depend from claim 22.

There is no reason or motivation in the prior art of record to use the prior art of record to make the invention of claims 1-20 and 22-33.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
